Murtaza Khan
Managing Partner, Middle East and Africa
Fragomen

Murtaza is Managing Partner for the Middle East and Africa and responsible for overseeing Fragomen's practices in Abu Dhabi, Doha, Dubai, Johannesburg and Nairobi.

He has extensive knowledge of immigration and related HR regulations in the UAE and works with a number of multinational companies to effectively manage and provide large scale outsourced corporate migration programs. This includes the design and outsourced execution of business processes tailored to the UAE's particular requirements and best practices.

Prior to joining Fragomen in 2006, Murtaza worked in the Audit and Assurance division of a Big Four accounting firm in London. His work was primarily in Corporate Finance Advisory, Migration Services and Audit & Assurance Services. Consequently, he has also had exposure to a variety of industries including Information Technology, Housing, Telecommunications, Outsourcing and Media & Entertainment.

He has serviced clients such as prominent public sector bodies and multinational companies.
