5. Do you currently serve on the board of any company, business group or association? Please list below.

Yes. I serve on the AmCham board currently. I also serve as a Director on one internal board and a Company Secretary on 3 internal boards.

6. List any experience or association you have with other boards, voluntary positions, or non-profit organizations.

I have been a member of the AmCham board since the beginning of this year. As a member, I have been an active participant in as many of our events and programs as possible, supported our committees, sought to bring on new members and strengthen the voice of AmCham at large. I have also served as a board secretary and a board director for internal boards for the past 2 years where I have been responsible for running board members, taking minutes, circulating resolutions and maintaining strong corporate governance.

7. If you are elected to the 2022-2024 Board of Directors, how will you contribute to the overall growth and success of AmCham Abu Dhabi?

I would be an active member of the board, as I have been in 2022. I would look to new and innovative ways for the AmCham to develop while keeping steadfast to its mission. I would support initiatives which are meaningful to the members and strengthen relationships between US business members and the UAE community. In this way, it is important to listen to the needs and interests of our members as they evolve. I would further support and empower the use of committees to target specific interests and needs through programs and outreach. I would also push all of our members to do the same.

8. What specific ideas do you have for AmCham Abu Dhabi to further its mission in the next year? How will you help implement and deliver results?

AmCham Abu Dhabi does a fantastic job driving results which are member focused and goal orientated. I would ensure we continue that momentum, increase our membership and work to diversify our membership- especially into the UAE business community as well as continue to further our collaboration with the community, regional AMCHAM organizations, the US embassy and other business groups.

9. Are you willing to attend committee meetings during work hours or volunteer on weekends for events?

Yes.

10. What is your overall message to the AmCham membership?
