If elected, I will focus on strengthening relationships with US government and industry colleagues as well as key UAE stakeholders, delivering impactful events and creating tangible deliverables, such as white papers, to promote our AmCham Abu Dhabi member objectives in government dialogues. I will work hard to increase the US- UAE partnership by working to establish meaningful and ongoing relationships with key UAE stakeholders. I also would work to deepen the relationships with the US government counterparts through joint efforts and consistent dialogue to promote the initiatives of importance to AmCham Abu Dhabi members. Solidifying the groundwork and relationships is critical to being able to deliver results to our members and the US-UAE business communities in a way that is measurable and sustainable over time.
