**With over 25 years of leadership in multinational healthcare corporations and board memberships, I aim to enhance partnerships between U.S. and U.A.E. organizations. Drawing from my experience in Government Affairs & Policy EMEA – Emerging Markets, I propose three strategies for AmCham Abu Dhabi: 1) Advocate for business ease in Abu Dhabi through evidence-based reports, 2) Develop a tailored program for women leadership, and 3) Establish a platform for regional best practice sharing. My approach hinges on fostering government relationships, nurturing collaboration, and elevating partnerships to strategic alliances.**
